

## The Balloon (Traditional)

Blow up your balloon  
tie it nice and tight  
hold on to the string  
let's go for a ride  
here comes the birds  
flying from the trees  
chasing our balloons  
stop birds please

pop pop pop pop pop pop pop pop

Pretend to pass out balloons. Then act out the verses. They often will say, mine didn't pop!  
**(I learned this from Kiki, a Scandinavian Montessori teacher)**
